PRESENTS
THE SENSUOUS SENTIMENT OF THE HEART: SAUDADE AND MEDIEVAL PORTUGUESE POETICS

JOSIAH BLACKMORE
Nancy Clark Smith Professor of the Language and Literature of Portugal
HARVARD UNIVERSITY

This talk explores the sentiment of saudade in medieval Portugal between the 12th and 15th centuries. Through a focus on the lively Galician-Portuguese cantigas and the robust intellectual environment of the court, it is possible to glimpse the many forms of thought that created an emotion that would come to be synonymous with Portuguese culture itself.
