Undergraduate Placement Exam and Information

For Spanish F16

The online Spanish Placement Exam opens Friday, July 1st (9:00 AM) and closes Monday, August 15th (5:00 PM).

You must complete the exam by 5 PM on August 15th. Scroll down for instructions.

The Spanish Placement exam's sole purpose is to correctly place you in the proper level so that you will get the most out of your academic experience in one of our courses. Your exam will be evaluated by our department and you will be placed in the appropriate level. The exam is to be taken by you without any outside help or access to resources or materials.

All students, including native speakers, who have been exposed to Spanish whether formally or informally, who wish to enroll in a Spanish language course must take the placement examination.

Please Note: If you are a "Heritage Speaker", please follow **instructions** below to the exam. However, please choose, the **Heritage Placement and take Exam**. *Do not take the General Placement Exam*. If you have general questions about the Heritage Placement Exam, please contact Sybil Alexandrov (sybil.alexandrov@yale.edu).

Exemptions. If you have any of the following scores:

- 1) AP 5 on either of the Spanish Advanced Placement (AP) tests, or
- 2) IB 6 or 7 on the Advanced-Level International Baccalaureate (IB) exam, or
- 3) C1 on the CEFR European test, or
- 4) L5 on the Yale Spanish placement exam, or
- 5) if you have successfully completed L4 (SPAN 140, SPAN 142 or SPAN 145) at Yale,

— with any one of those listed scores or courses, you do not have to take the placement exam, and may register directly for any L5 course.

Students who have never studied Spanish, formally or informally, do not have to take the full exam but must fill out a brief questionnaire on the same site (<http://classesv2.yale.edu>) prior to pre-registration.

Students will need their NetID to log on to the exam, which may only be taken once during the specified time frame.

1. Log in with your NetID at <http://classesv2.yale.edu>
2. Under "My Workspace" click "Membership" and then "Joinable Sites."
3. In the search box on the right side of the screen, type "Spanish Placement F16" and then click "Search." You will see the

Spanish Placement site and under it the word "Join" that you should click.

4. If you then see the disconcerting message that there are no joinable sites matching your search of "Spanish Place F16," you'll know that you have now successfully joined the site.
5. Click the Tab for "Spanish Placement F16" either on the top of the screen or under "My Active Sites" tab.
6. The site will provide directions for proceeding with the exam.
