After entering your Yale NetID and Password, you will select your top 3 preferences from a list of available sections for your assigned level. Places will be assigned on the basis of a computerized selection.

Notice of assignments will be available the evening of Sunday, January 12, 2014. You will again enter your Yale NetID and Password to find your section registration information.

To secure your place in the section, you must attend ALL meetings of the class. Instructors will start waiting lists the first day of classes, and any open seats will immediately be filled from the names on the waiting list.

If you missed the Online Pre-registration or were not assigned a section, or if scheduling changes make it necessary for you to switch to a different section, you should attend the desired section for placement on its waiting list. You should also continue to attend your original section until you are sure that you have a place in another one.

You must attend the class each time it meets in order to remain on the waiting list.
